Idx Interface
----
 0 lo
 1 eth0
 2 eth1
 3 eth2
 4 eth3

Total number of connections: 12
```

- A. fw ctl kdebug
- B. fw monitor e "accept;"
- C. fwaccel conns
- D. netstat -ni

Correct Answer: C

QUESTION 2

Of the following answer choices, which best describes a possible effect of expanding the connections table?

- A. Increased memory consumption
- B. Decreased memory consumption
- C. Increased connection duration
- D. Decreased connection duration

Correct Answer: A

QUESTION 3

Which of the following BEST describes the command `fw ctl chain` function?

- A. View how CoreXL is distributing traffic among the firewall kernel instances.
- B. View established connections in the connections table.
- C. View the inbound and outbound kernel modules and the order in which they are applied.
- D. Determine if VPN Security Associations are being established.

Correct Answer: C

QUESTION 4

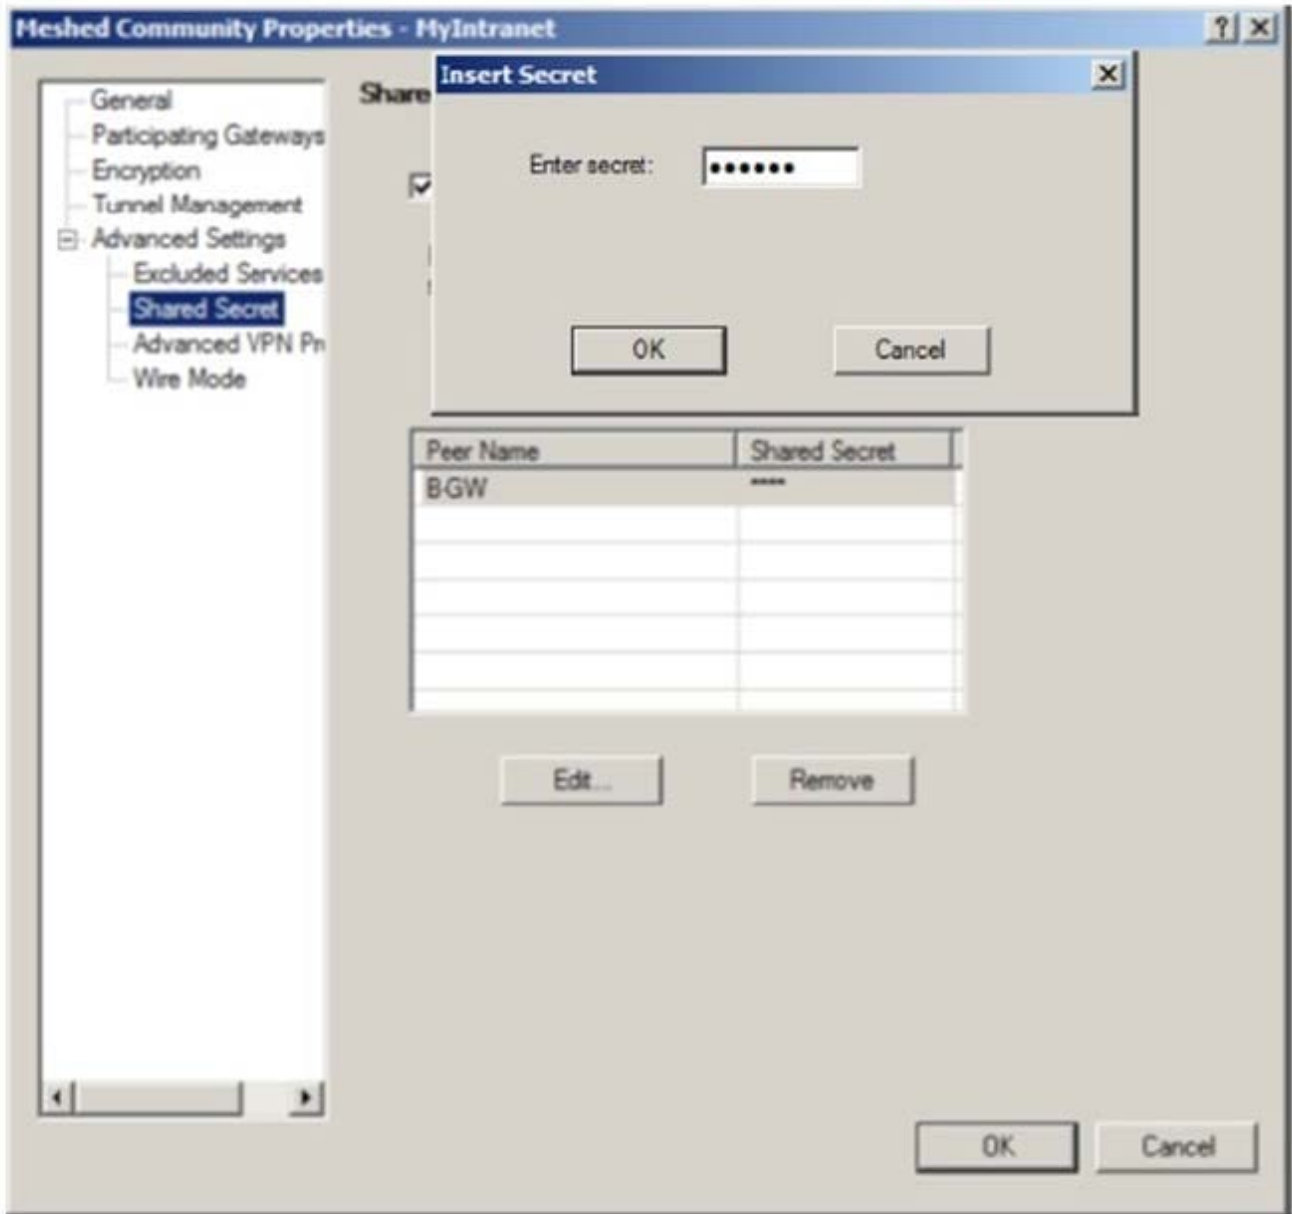

How does the "Directional Enforcement" rule manage subsequent packet inspection?

- A. "Directional Enforcement" is only applied to the first packet of the connection, including packets in the opposite direction.
- B. "Directional Enforcement" is applied to all packets in the connection.
- C. "Directional Enforcement" applies only to the first packet of the connection, but does not include the packets in the opposite direction.
- D. "Directional Enforcement" is considered trusted traffic and therefore is not inspected.

Correct Answer: A

QUESTION 5

You are setting up VPN between two gateways Local-GW and New-GW and want to use shared secret. For some reason New-GW is not showing up in the shared secret properties under mesh community properties. What is the most likely reason why the New-GW is not displayed?

- A. Gateway is locally managed by the same management station as Local-GW and shared secret is not supported for this configuration
- B. New-GW has to have Advanced properties > shared secret enabled.
- C. You need to install database by selecting Policy > Install database before gateway can be added.
- D. Gateway is 600 appliance and does not support "shared secret" option.

Correct Answer: A
