QUESTION 1

The participatory design process includes which of the following techniques?

- A. Discovery, evaluation, prototype
- B. Surveys, testing, release
- C. Testing, review, redesign
- D. Analysis, design, prototype

Correct Answer: D

QUESTION 2

You are consulting on the development of a complex Web site for an airline maintenance company. It will contain a large library of technical information. Maintenance technicians will use the site to understand the requirements of their jobs, the physical structure of the airplanes, and other important information. They will need to refer to different areas of the site frequently. What kind of positional awareness tool should be included to help navigation through the site?

- A. Site maps
- B. Deep URLs
- C. Breadcrumb trails
- D. Descriptive page headings

Correct Answer: A

QUESTION 3

You are building an educational games website for children. You have determined that your users respond best to large, colorful, easy-to-read buttons to navigate through the site. You've created a prototype of the navigation element, and want to make sure it meets your user's needs. What kind of testing should be performed at this stage?

- A. Positional testing
- B. Responsiveness testing
- C. Usability testing
- D. Functional testing

Correct Answer: D

QUESTION 4

Which of the following is a recommended method in the W3C standards in the operability category to improve accessibility of a web site on a tablet computer?

- A. Provide a virtual magnifying glass that enlarges portions of a website.
- B. Placing critical information at the top of the page.
- C. Provide adequate contrast to make onscreen content visible in bright environments.
- D. Provide workarounds for actions triggered by physically moving the tablet.

Correct Answer: B

QUESTION 5

A web site designer is using percentage based dimensions to allow a web site to shrink or enlarge according to the browser and device screen size.

- A. Responsive grid design
- B. Fixed grid design
- C. Fluid grid design
- D. Symmetrical grid design

Correct Answer: A
