QUESTION 1

ICA Keep Alive Policy should NOT be enabled if _____ policy is already enabled. (Choose the correct option to complete this sentence.)

A. Session Reliability

B. Load Management

C. Auto Client Reconnect

D. Session Sharing

Correct Answer: A

QUESTION 2

Scenario: A Citrix Administrator procures 500 XenDesktop Platinum license. The administrator installs a development-specific, license-based application on the master image and publishes desktops to the developers. Each instance of this application requires a separate license.

A developer launches the published desktop and 5 instances of the developer application from within the Published Desktop session.

How many XenDesktop and application licenses will the developer\\'s action consume?

A. 1 XenDesktop license and 1 application license

B. 5 XenDesktop license and 5 application licenses

C. 1 XenDesktop license and 5 application licenses

D. 5 XenDesktop license and 1 application license

Correct Answer: C

QUESTION 3

Scenario: The Helpdesk team is troubleshooting a printing issue. Users connect to print servers located in two different datacenters. The print servers host identical drivers and queues. Upon investigation, a Citrix Administrator finds that users can only print to one of the print servers successfully.

The network team informed the administrator that only Citrix-related traffic is allowed between the two Sites.

How can the administrator fix this issue?

A. Create a Citrix policy to auto-create printers.

B. Install Universal drivers to all print servers.

C. Create a print policy that limits the bandwidth consumption used by printing.

D. Create a printing policy that disables direct connections to print server.

Correct Answer: A

QUESTION 4

A Citrix Administrator needs to install and configure a Citrix License Server by using defaults. The administrator now needs to open the vendor daemon port on the firewall, which allows for communication between the Citrix License Server and the _____. (Choose the correct option to complete the sentence.)

A. Client Devices

B. License management Console

C. Terminal Services Licensing Server

D. XenApp Servers

Correct Answer: B
