E. Digital Stations field is "y"

Correct Answer: A

QUESTION 5

You are configuring Personal Station Access (PSA) and you configure the Communication Manager with the following settings:

-

Set TTI enabled = `Y\\'

-

Set PSA Associated code = `25\\' and disassociate code `#25\\'

-

Set security code for the station = `1234\\'

You activate the station by keying in FAC for PSA, station extension number, `#\\', the security code of the station, and `#\\'. However, the station is not activated.

Which statement describes the issue to be addressed?

A.

You need to set TTI = `n\\'

B.

You did not enable PSA on the COS of the station.

C.

You should not set the security code in sequential order.

D.

You did not key in the correct activation sequence

Correct Answer: B
