QUESTION 2

This question requires that you evaluate the underlined text to determine if it is correct.

You may restore a Microsoft Office 365 user account within 6 months of deleting the account.

Instructions: Review the underlined text. If it makes the statement correct, select "No change is needed". If the statement is incorrect, select the answer choice that makes the statement correct.

- A. No change is needed.
- B. 30 days
- C. 90 days
- D. 1 year

Correct Answer: B

The user's data is stored for 30 days. When you restore the work or school account within the 30 days, the user account and all associated data are restored.
