QUESTION 1

As a HCP administrator, you are asked to create a data access account for the company CFO for HCP namespace Finance. The Finance namespace only allows read permissions, but the CFO wants the ability to edit everything. Which three actions are performed to complete the task? (Choose three.)

- A. Expand namespace permissions.
- B. Apply purge on account.
- C. Choose the account name.
- D. Delete account name and re-create it.
- E. Apply all under permissions.

Correct Answer: ACE

QUESTION 2

What should be used to identify the highest numbered storage node in a HCP rack?

- A. the physical location of a node in the rack
- B. the number assigned to the fourth octet of the back-end IP address of a node
- C. the number of storage LUNs attached to it
- D. the number assigned to the fourth octet of the front-end IP address of the node

Correct Answer: B

QUESTION 3

Which three statements are true about encryption on a HCP? (Choose three.)

- A. Once enabled, encryption cannot be disabled.
- B. The encryption key is accessible through the system management console.
- C. Encryption can only be enabled at the time of installation.
- D. The encryption key must be written down and given to the customer.
- E. The encryption key is displayed several times during the installation process.

Correct Answer: ACD

QUESTION 4

Which tool is used to configure the RAID group(s) and logical volume(s) on a HCP 300 node?

- A. Hitachi Device Manager
- B. HCP Volume Manager
- C. Mega RAID BIOS Configuration Utility
- D. HCP Installation Utility

Correct Answer: C

QUESTION 5

A healthcare service provider provides archiving services to 4 medical clinics using an older HCP (version 2.6). The provider will be upgrading to version 4.x. By that time, they will have 19 more medical clinics. All the application servers only use the REST protocol to ingest and retrieve objects to and from the HCP. Which two actions should the provider perform to accommodate the new clinics? (Choose two.)

- A. Create 19 HCP tenants, one for each of new medical clinics.
- B. Create another default tenant for all new medical clinics.
- C. Use the default tenant for all 4 old medical clinics.
- D. Create a single HCP tenant for all new medical clinics.

Correct Answer: AC
