QUESTION 1

You enter and post a vendor invoice. You do not know to which project to allocate the expenses. You need to ensure that the vendor invoice will be posted with basic information and transferred to an invoice pool for approval. Which method of managing incoming invoices should you use?

A. invoice journal

B. invoice register

C. invoice approval journal

D. invoice pool excluding posting

Correct Answer: B

QUESTION 2

You need to change the project sales tax group for a posted expense transaction on a fixed-price project. Which two statements are true? (Each correct answer presents part of the solution. Choose two.)

A. You can change the project sales tax group without affecting the invoice amount.

B. You can change the project sales tax group only after canceling the invoice proposal.

C. You can change the project sales tax group only if the transaction has not been included in the project estimate.

D. The change can impact the invoice amount if you use a project sales tax group which has a different project sales tax.

Correct Answer: AC

QUESTION 3
