QUESTION 2

You need to allow for unplanned purchases in Microsoft Dynamics AX 2012. What should you do?

A. Set up vendor codes.

B. Set up customer codes.

C. Set up confirming purchase order codes.

D. Set up project codes.

Correct Answer: C

Confirming PO codes (form) (Public sector) [AX 2012]

Use this form to create codes and special messages for confirming purchase orders. A confirming purchase order circumvents the typical purchasing process. For example, you might authorize an emergency order with a purchase order

number provided to a vendor at the time of a purchase, instead of with a purchase order document provided before an item is needed.

QUESTION 5

You plan to create grants and associate the funding providers for your organization.

Which of the following providers can be assigned as funding sources in Microsoft Dynamics AX 2012? (Each correct answer presents a complete solution. Choose three.)

A. project

B. matching amount

C. subgrantor

D. federal mandate

E. state mandate

Correct Answer: CDE

Create or modify a grant [AX 2012]

*

 Enter details about matching funds, if they are required. Many organizations that award grants require a recipient to

spend a certain amount of their own money or resources to match what is awarded in the grant. For more information, see

Matching types (form). In the Local project or tracking ID field, you can enter an identifier that is different from the project identifier. Select the Subgrantor check box if part of the grant will be awarded to a different organization.

For grants that are awarded in the United States, you can specify whether a grant will be awarded under a state or federal mandate.

*

 The new advanced funding functionality in dynamics AX 2012 where in customers/users can set up split funding of projects/contracts. They can attach more than one funding source which can be of different types such as Customers, On

Hold, Grants, Organization etc.
