Correct Answer: CD

Explanation: You are working with BigCo to create an application for insurance quoting. BigCo is a multinational corporation that has traded on the NASDAQ as BCO. BigCo headquarters is located in the UK, and the company has division for each geographical location. You expect the application to contain two type work: Quote and policy. The Quote guides the sales representative through one or more quotes with the customer. Each quote must be retained by the system and visible to the sales representative and the manager. Any data capture during the quoting process must be available to the Policy case. The Policy represents the accepted insurance quote. For the next year, BigCo intends to use the insurance quoting application only for the personal insurance business in the United Kingdom. Joe, the business architect, is working with BigCo, subject matter experts (SMEs) to understand the quoting process. Joe uses Pega Express to develop the quoting application with the SMEs.
