When will these changes go into effect?

A. They take effect immediately.

B. They take effect at the top of the hour.

C. They take effect after he restarts the server.

D. They take effect with the next meeting that is started.

Correct Answer: C

QUESTION 5

In IBM Sametime 9.0, Sametime Community Server user login/logout data can be logged in either a text file or in an IBM Domino database.

How and where does an administrator change how user login/logout data is stored?

A. By using a text editor to edit the notes.ini file located in the Domino server program directory

B. By using a text editor to edit the sametime.ini file located in the Domino server program directory

C. By using an IBM Notes client to edit the LogOutputs document in the Sametime Configuration database m the Sametime Community Server

D. By logging in to the Sametime System Console and changing the Log Outputs box under the Community Services tab for a Sametime Community Server

Correct Answer: B

QUESTION 6

Where would an IBM Sametime Administrator manage the Instant Messaging policies for the Sametime Community?

A. in the Sametime Policy database in the IBM Domino Data directory on the Sametime Community Server

B. in the Sametime Policy database in the IBM Domino Program directory on the Sametime Community Server

C. on the Configuration > Community Service tab in the Sametime Administration Tool on the Sametime Community Server

D. on the Sametime System Console > Sametime System Console > Manage Policies > Instant Messaging tab in the Sametime System Console

Correct Answer: D

QUESTION 7

Mary has an IBM Sametime Community MUX 8.5.x installed and wants to upgrade it to version 9.0. She runs through the install and accepts the defaults.

Mary ends up with two installs of Sametime Community MUX: 8.5.x installed to C:\Program Files (x86)\IBM

\Lotus\Sametime Community MUX and 9.0 installed to C:\Program Files (x86)\IBM\Sametime Community MUX.

What should Mary have done to successfully upgrade her Sametime Community MUX 8.5.x to version 9.0?

A. Uninstall Sametime Community MUX 8.5.x then install version 9.0.

B. The Sametime Community MUX 8.5.x cannot be upgraded to version 9.0.

C. Install Sametime Community MUX 9.0 to the same directory as version 8.5.x by modifying the installation path.

D. Modify the Vital Product Data registry entry for the Sametime Community MUX 8.5.x entry and update the installed path to match the default installation path for version 9.0.

Correct Answer: D

QUESTION 8

What aspect of an IBM WebSphere SIP Proxy is being tuned when the following JVM arguments are set? -Xmnl50m -Xgcpolicy:gencon

-

xgc:noAdaptiveTenutre,tenureAge=8/stdGlobalcompactToSatisfyAllocate -Xtgc:parallel

A.

Global Compact

B.

Garbage Collection

C.

Global Connections

D.

Generation Concurrent

Correct Answer: A

QUESTION 9

Which two IBM Sametime 9.0 components can be clustered for high availability using the Deployment Manager?

A. Sametime MUX

B. Sametime Proxy Server

C. Sametime Meeting Server

D. Sametime Packet Switcher

E. Sametime Community Server

Correct Answer: BD

QUESTION 10

Alice has been asked to enable SSL security for the company\\'s IBM Sametime Community, Proxy and Meeting infrastructures so that clients can access the services over secure ports. There are three Sametime Community Servers, three Sametime Proxy Servers, five Meeting Servers and two IBM WebSphere Proxy Servers.

How many SSL certificates does Alice need to purchase?

A. 2

B. 5

C. 8

D. 10

Correct Answer: A

QUESTION 11

Amber has installed the IBM Sametime Bandwidth Manager for her company and would like to apply Call Rate Policies to multiple users at once, however, she doesn\\'t have edit rights in the LDAP server.
