QUESTION 1

Which personal data element is NOT considered a special category of data under the General Data Protection Regulation (GDPR)?

- A. Physical or mental health data.
- B. Financial information.
- C. Race or ethnic origin.
- D. Political opinions.

Correct Answer: B

The personal data element that is NOT considered a special category of data under the General Data Protection Regulation (GDPR) is B. Financial information.

The GDPR identifies "special categories" of personal data that require additional protection due to their sensitive nature. These categories include physical or mental health data, race or ethnic origin, and political opinions, among others. However, financial information is not classified as a special category of data under the GDPR. Nonetheless, it is still subject to the GDPR's general principles and protections for personal data.
